Dear Allen,

I am enclosing a copy of "The Soviet Bloc - Unity and Conflict" by Z.K. Brzezinski which is the first product of research at the Center.

This book, which was sponsored jointly with the Russian Research Center, analyzes relations between the Soviet Union and other Communist states since the war. It seems to me an unusually penetrating and illuminating piece of work. Knowing the claims on your time I hardly expect you to be able to read it all, but you might find it interesting to dip into.

With best regards,

Sincerely yours,

Robert R. Bowie.
